AMATEUR FIGHTER DYING

Brooklyn Pugilist Unconscious Since the Knockout Blow.

Ambitious Boys Engage in a Boxing Bout at the Greenwood Athletic Club—Rivals in Love as Well as the Ring—No Hope Entertained for the Recovery of the Loser.

NEW YORK, Aug. 17.—George Kelley, eighteen years old, of 125 1-2 Twenty-eighth Street, Brooklyn, was lying at Seney Hospital from a knockout blow by Michael Meyers, eighteen years of age, of 190 John Street. The blow was delivered at the Greenwood Athletic Club last night. Kelley has been unconscious since, and all efforts of surgeons to revive him have proved unavailing. They have practically given up hope of saving his life. Meyers and eleven others are now under arrest. Meyers is held to await the result of Kelley's injuries. The others are charged with aiding and abetting a prizefight.

Found Dead in His Room.
CHARLESTON, W. Va., Aug. 17.—Wesley Parley, aged fifty years, was found dead in his bedroom at Malden, on the Chesapeake and Ohio Railroad, near this city, yesterday morning. Parley is the only man who was struck by a stone thrown through a car window on the Chesapeake and Ohio Railroad, on which he was a passenger, early in June.

Hay Fever, Summer Colds, and Chronic Catarrh can be relieved in ten minutes, and eventually cured by the use of Dr. Agnew's Catarrhal Powder.—It is delightful and easy to use. No one has yet reported a case in which it failed, while all who have used it cannot speak highly enough of its merits. Fifty cents. Sold by E. S. Williams, Ninth and P Streets; Edmonds & Williams, Third Street and Pennsylvania Avenue—14.

IN THE STOCK MARKET

Speculation Quiet at the Opening in Wall Street.

Shares Show a Tendency to Sag. London Exchange Steady, Including the American Quarter-Interest Well Distributed Throughout the Railways—Industrials Heavy.

NEW YORK, Aug. 17.—The Stock Market today opened quiet and with a sagging tendency. The movement of prices seemed to be simply a continuation of that which set in yesterday and which especially may be attributed to the growth of anxiety regarding the issue of the Presidential campaign. There was, aside from that, no change of any of the conditions bearing upon the market.

The London market was steady, including the American quarter, on the relaxing monetary situation there and the bettering conditions in China. Apprehensions of a very heavy reduction in the bank's surplus reserves tomorrow also served to stimulate selling.

Few features of special interest developed in the early trading. Declines were common, but the losses were not particularly severe.

Interest was fairly well distributed throughout the railway list, with the granger shares in the lead in respect of activity. Union Pacific and Northern Pacific shares in the reactionary tendency of the market.

The industrial quarter was heavy, with the exception of Sugar Refining, which continued steady.

The local traction group moved in line with the general market.

BAD BLOOD, BAD COMPLEXION.

The skin is the seat of an almost endless variety of diseases. They are known by various names, but are all due to the same cause, and can be cured by the same means.

In the blood that irritate and interfere with the proper action of the skin.

To have a smooth, soft skin, free from all eruptions, the blood must be kept pure and healthy. The many preparations of arsenic and potash and other poisonous face powders and lotions generally used in this class of diseases cover up for a short time, but cannot remove permanently the ugly blotches and the red, disfiguring pimples.

Eternal vigilance is the price of a beautiful complexion

when such eruptions are relieved by the use of Dr. Agnew's Catarrhal Powder.

Dr. H. T. Shobe, 2994 Lumb Avenue, St. Louis, Mo., says: "My daughter was afflicted for years with a disfiguring eruption on her face, which resisted all treatment. She was taken to two celebrated health springs, but received no benefit. Many medicines were prescribed, but without result, until we decided to try Dr. Agnew's Catarrhal Powder. The first bottle was finished the eruption began to disappear. A dozen bottles cured her completely and left her skin perfectly smooth. She is now seventeen years of age, and the eruption has never returned."

S. S. S. is a positive, unfailing cure for the worst forms of skin troubles. It is the greatest of all blood purifiers, and the only one guaranteed purely vegetable.

Bad blood makes bad complexions. It purifies and invigorates the old and makes new. It cures the skin active and healthy and in proper condition to perform its part towards carrying off the impurities from the body.

If you have Eczema, Tetter, Acne, Salt Rheum, Poriasis, or your skin is rough and pimply, send for our book on Blood and Skin Diseases and write our physicians about your case. No charge whatever for this service.
